NOT FOR THE SUPER BODYBUILDING SYSTEM!

"Every successful bodybuilder has got to use the most advanced bodybuilding methods available-UNIVERSAL BODYBUILDING offers the best! Using UNIVERSAL methods, I have made excellent gains!"

Brian Eastman

BE BETTER THAN THE BEST, BE DYNAMIC!

MOST MEN NEVER REALIZE THEIR POTENTIAL FOR MUSCULARITY. Why? Probably because they've never come across or taken advantage of a training program quite like the one we offer here at UNIVERSAL BODYBUILDING. Our course has the ULTIMATE MASTERPLAN for TOTAL BODY DEVELOPMENT!

Very few men are satisfied with the way they look at present. They know themselves that they wouldn't mind having a REALLY MASCULINE BODY — one that will "turn on" the girls and make the guys envious.

WITH UNIVERSAL METHODS, YOU CAN BREAK OUT OF YOUR "OLD" SELF, AND TRANSFORM YOUR BODY INTO AN ATTENTION-GETTER!!! WE GUARANTEE TO IMPROVE YOUR BODY FAR BEYOND WHAT YOU'VE EVER BELIEVED POSSIBLE! We have perfected bodybuilding training techniques to the extreme, so that we can offer you the fastest gains possible. If you're thin and underweight, you'll be astonished at how quickly muscles appear. If you're overweight, we can help you to trim down the fat and replace it with rock-hard muscle. We'll tone up your abdominal area, and show you how to obtain a well-defined and impressive waist.

Add 2 or 3 inches to your arms, 4 or 5 inches to your chest — your rewards will be in direct proportion to your effort and accomplishments — nobody sets a limit to your success.

In the time it takes to complete this 12 lesson course, we can guarantee you a muscular foundation fantastic enough to be developed to your fullest potential!!! You can go far beyond mere "improvement" with the Advanced Training Techniques included in this course. We can give you the firm, rippling, muscular body of a physique star!!! Send in for our FREE COLORFUL BROCHURES TODAY (fantastic information about our course — loaded with unbelievable photographs). You won't regret it!!!

BE GREAT- BE SOMEBODY SPECIAL!

Improve your health, self-confidence and your outlook on life as you become more muscular. Regardless of your age, height or present build, we'll help you build a fabulous body. Thousands of people have taken this course with fantastic results — why not you? Whatever you look like today, we can improve on it. We guarantee it!!!

- ☐ **ARMS** — Develop big, powerful arms — the kind girls love to be held in! Command respect from everyone you meet!
- ☐ **CHEST** — Is your chest sunken and unimpressive? No more! It's easy to build a massive chest. You can measure 45, 47, or even 50 inches!
- ☐ **BACK** — Develop your upper back, and get that outstanding "V-Shape!" Often within one week you'll be able to see that wedge formation begin to take shape — it's a real attention-getter!
- ☐ **SHOULDERS** — Get rid of those puny shoulders! Instead, fill your shirts with bulging muscles!
- ☐ **LEGS** — Put some muscle on those spindly legs! Muscular legs will give you extra power like you've never dreamed possible!
- ☐ **ABDOMEN** — Trim and hard — that's the way your abs should look. Get rid of your pot-belly, improve your digestion, and get that washboard waist — all when you develop those abdominal muscles!

THIS IS A VERY SPECIAL PERSON.

Prince Randian was born without arms and legs, yet he made a life for himself. For forty-five years he appeared in carnivals, circuses, and dime museums as "The Caterpillar Man". He died at the age of sixty three leaving a wife and five children.

It is just one of the many unusual and fascinating true stories in Ripley's *BEST SELLER* **Very Special People**. What makes these people very special is that they all lived unusual lives.

Read about the original Siamese Twins, the Elephant Man, Hop the Frog Boy, the Most Hated Woman in the World, the Giant Sam Man, General Tom Thumb, the Heaviest Man in the World, the Tallest Man in the World, Living Skeletons, Fat Ladies, Armless and Legless Wonders, Bearded Ladies and many, many other human oddities.

This is not just a picture book of "freaks". The author treats these people with insight, compassion and the dignity one earns by being born different from everyone else.

Very Special People, *hard covered with over 400 pages and 8" RARE PHOTOS*

What's Happening With ATLAS

In our last issue, we introduced you to **THE PHOENIX GRIM GHOST, IRONJAW, TARGITT WULF THE BARBARIAN THE SCORPION PLANET OF VAMPIRES, THE COUGAR, THE BRUTE**, and **MORLOCK 2001**. And if that's not mouthful enough for you, try adding **WEIRD SUSPENSE, TIGER-MAN, BLAZING BATTLE TALES**, to your Atlas literary lexicon!

WEIRD SUSPENSE is a showcase magazine that, every issue will feature a new and unique hor[illegible] tion features **THE TARANTULA**, a beastial do-gooder who nightly turns from man-to human tarantula. You'll really dig this spider-man! Brought to you by artist **Pat Boyette** and scripter **Michael Fleisher**.

TIGER-MAN is the [illegible] powerful character in the Atlas line-up. His steel claws and feline jaws make him the most formidable nemesis to crime our [illegible] has ever known! His dar[illegible] plots are recounted by **Ernie Colon**, artist, and **Gabriel Levy** writer.

BLAZING BATTLE TALES is a potpourri of the world's most thrilling war stories. Written by **John Albano**, and starring **SGT STONE**, the first issue features all new tales of combat. Each and every issue will feature three complete stories! A bargain at 25¢!

So much for the new! The returnees are as follows: In **IRONJAW #2** our barbaric hero battles an army of giant bears in the enemy king's arena. And this issue marks the debut of **Pablo Marcos** as artist on the book. **PHOENIX** meets an alien invasion head on in the exciting conclusion of his two part origin story. The battleground is New York City, and the climax will leave you breathless!

MORLOCK meets a kindly dentist in our plant man's second issue, but learns that appearances can be deceiving! Futuristic adventure in the year 2001! Meanwhile back in 1930, **THE SCORPION** battles voodoo and indestructible zombies, while forty years later **THE COUGAR** combats an age-old vampire. Out in space, things get hot on the **PLANET OF VAMPIRES**. Issue #2 features a confrontation between astronauts, savages, and vampires, with a memorable and highly explosive climax.

Back on earth, **THE BRUTE** battles the horror of the reptile men, **THE GRIM GHOST** on the other hand, tackles a beast on board an ocean liner.

The corker of the month however, is **WULF THE BARBARIAN** a sword and sorcery epic that ends with a never-to be-forgotten battle between a fire demon and a creature of water! This, not to mention mountains of sword-play, and muscle-bending heroics.

But if you think monster slaying is rough, try tackling **TARGITT**'s terrain for a day. A mob run drug ring falls before the vigilante's unstoppable thrust with a climactic battle between submarine and helicopter in Boston Harbor! And while you're in the neighborhood, take a look at **THE DESTRUCTOR, POLICE ACTION WESTERN ADVENTURES, VICKI** (why not?), **SAVAGE COMBAT TALES, TALES OF EVIL**, and **MID NIGHT MADNESS**. They're on sale now... from **ATLAS!**

And lest we forget, if you dig comics, our black and white magazines are sure to knock you for a loop. **WEIRD TALES OF THE MACABRE** and **DEVILINA** feature unadulterated shock as you like it. 64 incredible pages of illustrated terror by such greats as **Leo Summers, Frank Thorne, Jeff Jones**, and others. And don't forget **THRILLING ADVENTURE STORIES** the most exciting comics magazine ever! The first collector's edition is now on sale featuring the art of **Russ Heath, Leo Summers, Frank Thorne, Jack Sparling**, and **Ernie Colon**. Between them all we've got classic tales of dino- [illegible] heroes and warfar- [illegible] or you monster freaks there's **MOVIE MONSTERS #2** [illegible] articles on **2001: A SPACE ODYSSEY, RODAN, PLANET OF THE APES, DRACULA, SUPERMAN, DOC SAVAGE, FRANKENSTEIN, GOLDEN VOYAGE OF SINBAD**, and more. Don't miss it!

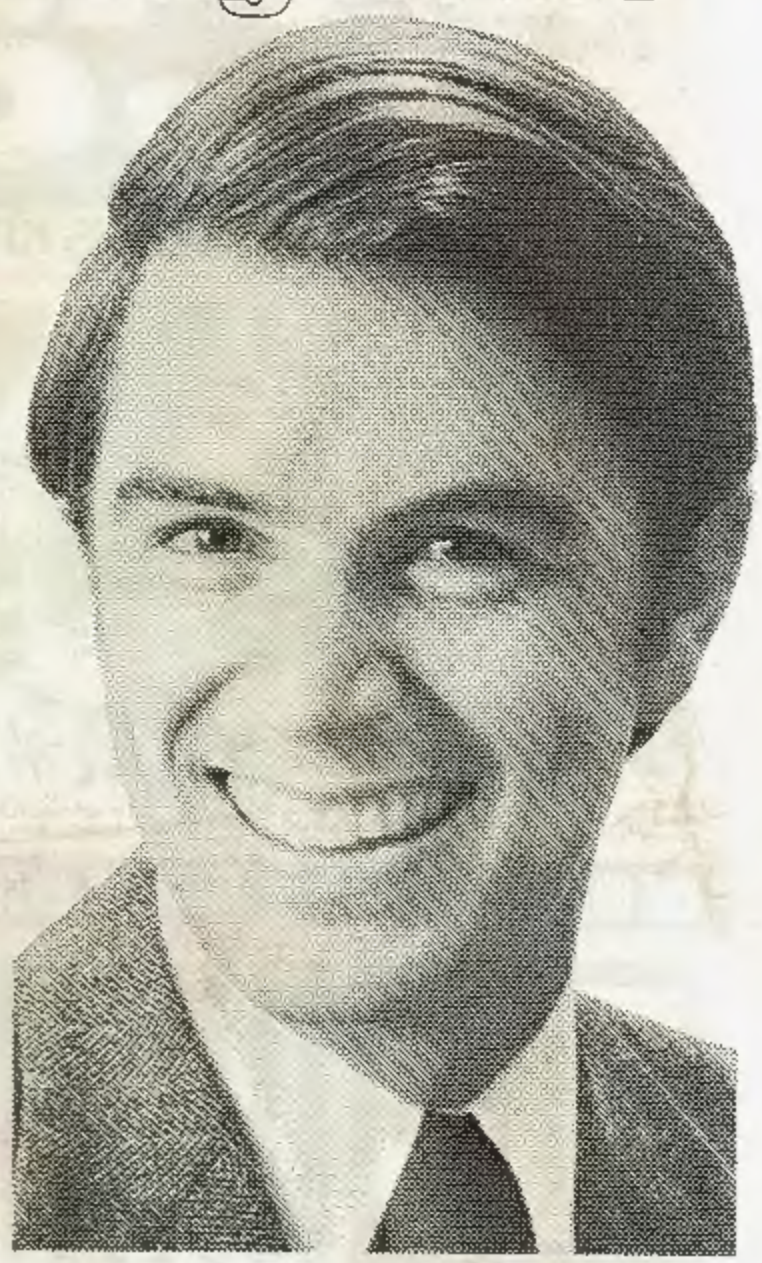
"Look who's smiling now!"

Sometimes a man sets his ambitions high enough to make skeptics smile. But how often he gets the last laugh! One outstanding LaSalle graduate writes: "At the time I started studying with LaSalle, I was working as a factory clerk. Before completing the course I was transferred to cost accounting and my salary was increased by $1800. Now, having completed the course, I'm in charge of the department and on my way. LaSalle's course helped me pull myself out of a boring and ill-paid job into a position of opportunity."



The words in quotes come directly from one of the pleased reports that are sent to us by LaSalle graduates. LaSalle files contain many letters from men and women who have moved ahead with the help of LaSalle training. You, too, can prepare for the career opportunity of your choice through LaSalle home study – without interfering with your present work – and by devoting only a little of your spare time.

LaSalle has been a leader in home education for more than sixty years, enrolling over 2,000,000 ambitious men and women in its many courses. You study under the supervision of LaSalle's experienced faculty. Upon satisfactory completion of your study, you receive the LaSalle diploma – a respected credential.

Mailing the LaSalle postage-paid coupon alongside may be the first step toward preparing yourself for a better job, and the many good things that go with success. Simply check the program in which you are most interested, to receive a valuable free booklet describing the opportunities in that field. There is no obligation. LaSalle, 417 S.
